

DESIGN ENGINE PRESENTS

**SATURDAY SUMMER YOUTH SESSIONS  
JUNE 1, 2019 - AUGUST 31, 2019**

*Bringing CAD Professionals & the Future Minds of the Industry Together*

**CAD CAMP**

**DESIGN ENGINE EDUCATION  
4043 N. RAVENSWOOD AVE  
[design-engine.com/cadcamp](http://design-engine.com/cadcamp)**

Are your kids spending too much time online playing video games? This summer engage our children in a camp designed to teach them how to build the elements used in their favorite sources of entertainment. CAD Camp has been designed to teach young people using S.T.E.M. Education. Kids can learn Video Game Design using Maya 3D, 3D printing with PTC Creo, SOLIDWORKS or Rhino 3D and Web Design with Adobe Illustrator and Photoshop.

limited spots available call 312-226-8339 or email at [training@designengine.com](mailto:training@designengine.com) about pricing and to hold your spot
